SUBJECT: ITB #7050 Fairway Mower, Foster Park Golf Course

Our maintenance plan for Foster Park Golf Course includes improving the quality of fairway play. To accomplish this goal replacement of our 1972 and 1975 F-10 Fairway mowers is needed.

Upgrading to a lightweight fairway mower will allow us to mow in wet conditions without damage to the fairways. When needed this faster, more versatile mower can also be used to mow tees, collars and fringes.

Foster golf Course will host the 1994 Mens City Golf Tournament. To attract such events we must continually upgrade our equipment and improve the quality of the Foster golfing experience.
